OPTION: NAVY / MARINE
(circle one)

PHONE: () - _____ (Number you can be reached at during summer)

If possible, have measurements taken by a qualified tailor or fitter. Take measurements of the individual, not the desired garments. Garments are cut with standard ease allowance. Hold tape easily when taking measurements. For waist measurements, hold tape closely to represent belt. Wear regulation shoes when measurements are being taken. Fill in measurements completely, or order will be returned.

1	Over the arm	(measured around shoulder with arms down)		10	Full length	(measure from bottom of undercollar to length desired)		
2	Chest	(above breast)		11	Overcoat	(measure from bottom of undercollar to length desired)		
3	Bust	(across breast)		12	Slack knee	(exact width desired from existing regulation slacks)		
4	Waist	(snug, not too tight)		13	Slack bottom	(exact width desired from existing regulation slacks)		
5	Hip			14	Outside sleeve	(from undercollar to shoulder seam down to wrist)
