OPTION: NAVY / MARINE
(circle one)

PHONE: () _____ (Number you can be reached at during summer)

If possible, have measurements taken by a qualified tailor or fitter. Take measurements of the individual, not the desired garments. Garments are cut with standard ease allowance. Hold tape easily when taking measurements. For waist measurements, hold tape closely to represent belt. Wear regulation shoes when measurements are being taken. Fill in measurements completely, or order will be returned.

1	Over the arm	(measured around shoulder with arms down)		10	Back width	
2	Chest			11	Outside sleeve	(from middle of back around elbow to wrist)
3	Waist	(trouser)		12	Inside sleeve	(measure along underarm seam with coat on)
